Taylor 3" Meat Thermometer

\$4.99

Normally \$6.99

Slow and steady temperature monitoring for the best, juiciest results. This leave-in meat thermometer with glass lens is safe to be left in the oven or grill during use. With its easy-to-read 3 in dial and printed roasting temperature guide (USDA standards) this thermometer will help with perfectly cooked meals every time. TAYLOR's history of highly accurate temperature readings won't let you down. This thermometer has a scale from 120 to 200 deg F.

Makita Impact XPS 35 Piece Bit Set

\$19.99

Normally \$22.99

Makita® Impact XPS® is new innovation in fastening with insert bits and fastening accessories built for the demands of the professional contractor. The Impact XPS Power Bits are designed exclusively for use with high-torque impact drivers, and are engineered to last up to 90-times longer than standard bits. High-strength steel delivers longer bit life, and the precision-fit tip is engineered to prevent "cam-out" and stripping. The torsion section of the bit flexes under load to take pressure off of the bit tip for increased durability.

NEBO High Bright 6000 The ultra-bright 6000 lumen utility light

\$34.99

Instantly upgrade garages, closets, basements and attics without batteries, rewiring or changing the fixture. This powerful 6,000 lumen light fits in any standard household light socket and each of the adjustable LED panels can be tilted 90 degrees to direct the light exactly where you need it.

Assorted home audio, video accessories!
